

Application to Ride Awana Van

New Michigan Law

Legislation requires children under age 8, 4'9" tall to use child restraints

Good News Baptist Church makes the safety of children a primary focus of our ministry. We would encourage all parents to bring your children to Awana. We want to use the van for people that have a real need because space is limited. We ask all those who want to ride the Awana van to apply each year. Just because you apply does not mean that you are automatically in, you will receive proof of your applications approval for the children for that Awana year. **We ask that Children under the age of 8 or 4'9" to provide their own booster seat.** Your application goes to the church office.

Good News Baptist Church Van Rules

4. Riders shall wait until the van is completely stopped before attempting to board.
5. Riders are to wear their seatbelts at all times, for the safety of each other. Children under the age of 8 or 4'9" must provide a booster seat in order to ride the van
